

Strategic Planning: Vision Data from Feb. 25, 2022, Town Hall

Categorized VISION Emergent Themes from Feb 25th Town Hall Meeting

[Santa Rosa Junior College {SRJC} Is / Provides ...]

- A place to come and gain a sense of community, power, inviting an atmosphere of inclusivity.
- A place where people can flourish, in a sustainable environment
- Financially strong; I think financially strong gets to the economic sustainability part
- Provider of services. Must be from top to bottom, not just lateral.
- Recognition and validation.
- SRJC aspires to provide excellent education to our diverse community. We commit to meeting people where they are and that they see themselves on our campuses and in our curriculum.
- SRJC is driven to provide excellent educational opportunities that are responsive to the needs of our students and empower them to meet and exceed challenges as active participants in shaping the future of our world
- SRJC delivers high-quality instruction while actively working to be an inclusive, diverse, and sustainable community, culturally humble, and responsive to the ever-changing global community.
- We are an institution of higher learning free of structural racism, equity, inclusion, diversity, and anti-racism

[Santa Rosa Junior College {SRJC} is a Community...]

- We are the **community** / part of the community. The community sees themselves reflected in the college.
- Vision: SRJC is THE place for **community** groups to meet—free meeting spaces, free parking on non-high-impact hours
- Beauty of community colleges, we are within our community. Need to be reflective of the members of our community.

[SRJC is where...]

- Anyone can learn anything
- Making educational opportunities affordable and accessible to all
- Open to new ideas and ways to bring people into the SRJC community
- Our success depends on everyone in the community achieving their educational and personal goals
- [Students] Learn role in society
- Students recognize success, diversity, positive way
- Students supported so they can continue toward their objectives
- Students supported so they can continue toward their objectives

[Concerns and Primary Questions...]

- Does the vision statement look towards the future?
- How does it reflect our “bare-bones” necessities while also allowing for vision and big change?
- How does this statement allow for growth as our community and culture evolve?

Strategic Planning: Vision Data from Feb. 25, 2022, Town Hall

- How does Santa Rosa Junior College want to be viewed in regards to campus diversity, equity, and inclusion?
- Include LGBTQ and students with disabilities within M/V/V statements.
- Is the vision statement obtainable?
- Online education broadens our student base but loses that interpersonal touch.
- Should encapsulate an ideal we want to achieve. Think global, act local. If we lose diversity, we lose sustainability. Can make positive habits and changes within our community. Steward of our campus and community.
- Think larger than oneself, think about global impact. Taking responsibility for our actions inside of ourselves.
- What members are not being served?
- What type of institution does Santa Rosa Junior College want to be over the next 5- years?

The Vision Statement is...

- The vision statement is an institution's clear description of what it intends to become within a certain timeframe
