

Mission Statement

examine critically, preserve and transmit the knowledge, wisdom and values that will help ensure the survival of this and future generations and improve the quality of life for all. The university seeks to help students to

I am agree with support our diversity community and meet student's needs by providing an environment with higher education

Great academics. Small class sizes. Affordable and equitable education.

serve and support your educational journey

Explore to find your passion.

active inclusion

Has the foundation of SRJC served everyone in our diverse populations?

We see you.

Love Learning!!!!

Provide excellent education for all of our diverse students. Foster a global perspective, civic engagement, and a stewardship of our environment.

Global

Civic Engagement

academic excellence

Thoughtful Engagement / Respectful Engagement

What about including something with regard to the fact that the SRJC is a Hispanic Serving Institution? I think more so related to the inclusivity of the community as a whole and not just recent high school grads.

that will be an action to follow up with our mission, values statements to reach out our community

equity action

a mission statement that is realistic to offer

Be aware of our impact. Be transparent.

Equity

Life-Long Learners

Small Class Sizes

Equitable access to learning

Education to improve the lives of our students, intellectually and economically.

human connection

Increase accessibility to remote learning.

Service to a diverse community and it's diverse needs. Flexibility.

Provide an education that promotes a climate safe fututre

Provide a sustainable and equitable education

human dignity

Academic support classes and services to help students in a post AB 705 world.

be honored and respected

offer obtainable goals

Vision Statement

Our Vision

Santa Rosa Junior College aspires to be an inclusive, diverse and sustainable learning community that engages the whole person.

We are the community / part of the community. The community sees themselves reflected in the college.

Recognition and validation

SRJC aspires to provide excellent education to our diverse community. We commit to meeting people where they are and that they see themselves on our campuses and in our curriculum.

Values

Better response to support value #1

Value learning that includes a beautiful environment that welcomes students.

Planning and resource allocation should support the values adopted. The planning and resource process should support the mission, vision and values of the college

Values: "We balance and integrate the following core values in assuring the success of our diverse learning communities."

Ethical Conduct, collegiality should be included in our values

anti-races community

Ethical conduct; allow the space for diverse opinions.

equitable access for all students

Move "Honesty and integrity in an environment of collegiality and mutual respect." To ethics.

Engagement with the County, Engagement with the high schools.

How do we market ourselves, engage with community to create awareness of how we can support the community?

We are an integral part of the community, not separate from it.

This should be apply across all the SRJC buildings and campus like the SWC

Well maintained and aesthetically pleasing facilities and grounds that welcome students and foster a love of learning in a beautiful environment.

9. Meeting Students Where They Are

10. We align our planning, resource allocation, our work these values

Our budget should mirror our values.

All environments should be welcoming, not just physical.

Learner centered environment in both the classroom and the workplace.

Staffs Learning Could Also be included here

We are humble and learning alongside you, everyday.

equitable access for all students

Move "Honesty and integrity in an environment of collegiality and mutual respect." To ethics.

Engagement with the County, Engagement with the high schools.

How do we market ourselves, engage with community to create awareness of how we can support the community?
